RE: Seventh Street
Request for No Parking Ordinance

Per your request, our office has evaluated the on-street parking on North Seventh Street between Wood and Plum Streets.

As a result, it was found that there is no Ordinance prohibiting parking on the westerly side of the street where vehicles line up to enter the drive-thru of the customer service window. The queuing on the roadway should not be considered to be a parked scenario as the vehicles are truly in line for the municipal service. The westerly side should have no parking permitted.

Additionally, it would be of value to prohibit parking on the easterly side between the two existing driveways.

Please prepare an Ordinance establishing No Parking along a portion of Seventh Street as follows:

<u>Name of Street</u>	<u>Side</u>	<u>Location</u>
Seventh Street	West	From the northerly curbline of Wood Street to the southerly curbline of Plum Street
Seventh Street	East	From a point 153 feet north of the northerly curbline of Wood Street to a point 90 feet northerly thereof

The physical area of the eastern restriction is between the two existing driveways.
