Subject: Infinity Atlantic, LLC (Alfred LaTorre) Block 303, Lot 47

Follow Up Flag: Follow up
Flag Status: Completed

Please note that the property owned by Infinity Atlantic, LLC (Alfred LaTorre) which is located at 3500 D'Ippolito Drive, Vineland, NJ, (Block 303, Lot 47) has not complied with the conditions of sale for Industrial Park properties sold by the City of Vineland. As a result, and after several attempts by the owner, to sell the property, the City of Vineland will be taking this property back and make it available for sale. The purpose for taking the property back in this fashion is so that the City will not have to go through the foreclosure process, for unpaid taxes, which would be more costly and time consuming. The City was considering foreclosure due to the taxes not being paid for several years. I believe the tax liens amount is in excess of \$6,000.00.

To accomplish the reversion, we will be ordering searches from Beacon Title (at a total cost of \$160) so as to demonstrate that no liens and/or judgments exist on the property. Thereafter, we will record the deed (note that I have the reversion deed in my office which was supplied by Denise Monaco). At this point in time, the outstanding and uncollected taxes will have to be canceled.

Further note that debris is currently on the property. A trailer and bricks remain on the property. I contacted the attorney (Francis Reuss) for the current owner, and he has advised that the current owner is not interested in the construction trailer and said the City can have the trailer. His client is not in a position to remove or clean-up the bricks. I would like to have someone from Public Works look at the trailer to see if it has any value as a donation to the City. Regarding the bricks, we will need Public Works to assist in the clean up or hire an appropriate firm to remove the bricks.

By way email, please advise if any additional items are necessary to accomplish the property reversion.
Should you have any questions or concerns, please contact me.

Attached is the search for the subject.

Based on this search, it appears the only outstanding lien is that of the COV for real estate taxes.

Please advise if I can deliver the reversion deed to Beacon Title for recording which will transfer the property back to the COV.

Further note that we have processed the payment for Beacon Title to cover the search cost.
