Re: \$436,000 Reappropriation Bond Ordinance

Dear Roxanne:

In accordance with your request, I have prepared and enclose herewith a form of ordinance reappropriating proceeds of obligations to provide for various pedestrian related safety improvements. The ordinance should be adopted in accordance with the usual procedure set forth below for your convenience.

No Supplemental Debt Statement is required because the ordinance does not authorize new indebtedness. In order to comply with the capital budget regulations, the bond ordinance contains a provision amending the capital budget to the extent of any inconsistency with the bond ordinance and it should be sent to Trenton and filed with the Division of Local Government Services prior to final adoption of the ordinance. It will not be necessary to publish the resolution.

The ordinance may be introduced and read by title only and adopted by a majority of the members of the governing body present, assuming a quorum. **After introduction, the Notice of Pending Bond Ordinance and Summary must be published in the local newspaper, a form of which I have enclosed for your use. Also, the ordinance should be posted on the bulletin board customarily used for notices, together with the Notice of Pending Bond Ordinance and Summary, and copies of the ordinance should be made available to anyone who requests them of the Clerk after introduction.**

The bond ordinance can be considered for final adoption not less than ten days after introduction and not less than seven days after the publication of the Notice of Pending Bond Ordinance and Summary. If the ordinance has been posted and copies made available as indicated above, the ordinance can be read at the second hearing by title only. If the ordinance posting procedure has not been followed, the ordinance must be read in full at the second hearing. After the ordinance is read for the second time, the governing body should hold a public hearing and should give all members of the public a chance to be heard on the ordinance. After the public hearing, the ordinance can be finally adopted by the affirmative vote of not less than two-thirds of the full membership of the governing body. **After final adoption, the Bond Ordinance Statement and Summary must be published, a copy of which I have enclosed for your use.** Note that if the approval of an officer is required to make the ordinance effective, the ordinance must be approved by that officer, or passed over veto, before it is published after final adoption.

After the ordinance is finally adopted, it will be necessary for us to establish a record of proceedings documenting the proper adoption of the bond ordinance. In order to do this, we will need one completely executed set of the documents enumerated on the attached checklist. By copy of this letter, I am sending the Clerk a copy of the checklist along with a copy of the ordinance. With the exception of the Affidavits of Publication, I am also sending the Clerk the necessary certificates to be completed, executed and returned to us along with the necessary attachments to provide us with this documentation. It should be noted that the Clerk's Certificate must be executed no sooner than 21 days following the final publication in order to attest that there has been no protest within the statutory twenty-day protest period.

If you or the Clerk have any questions about the form of the ordinance, the adoption procedure or the form of the certificates, please call me.

Thank you for this opportunity to have been of assistance.

Very truly yours,

Edward J. McManimon, III
