Subject: Land Use Ordinance Fees

As requested at last week’s work session:

Legal fee for review of deeds & easements – Richard Tonetta & I spoke to Frank DiDomenico, the Solicitor for the Planning Board & Zoning Board of Adjustment. He is satisfied with accepting the proposed fee. He said if Council chooses to raise the fee, that would be fine, but that he is ok with the proposed fee. I contacted the Planning Board Chairman & Vice Chairman to solicit their opinion. They prefer to stick with the Board’s recommendation & not institute a fee based on the Solicitor’s hourly rate.

Exemption of non-profits from fees – I spoke to Millville & County planning officials, & I checked other community ordinances on-line. The findings are as follows:

County	no
Millville	no
Franklin	no
Galloway	no
Egg Harbor	no
Hamilton	exempt from administrative fee, not review fee
Pittsgrove	no
S. Harrison	no
Woolrich	no

Steve Hawk also did an analysis of Planning Board records from 2009. Please note that this does not include applications to the Zoning Board. The following non-profits have had plans reviewed & approved:

Should you need any additional information, please feel free to contact me.

NOTE: Since the proposed fees were developed in 2014, they do not reflect the annual 3% escalator. Can Council's ordinance reflect the application of the escalator to the proposed fees?
