To Whom It May Concern

Subject: Project Summary for Supply, Install, and Testing of Transformer Mounted Network Protector

Please be advised the Vineland Municipal Utilities is advertising for the supply, install, and testing of a transformer mounted network protector for the secondary network on Landis ave between 6th and 7th. The aging secondary network is in need of a new protector in vault 6S because the existing protector has become inoperable. This specification also has two optional items. These items include the installation of new computer based relays in the other 3 vaults on the secondary network and the supply, install, and testing of another transformer mounted network protector in an additional vault. VMEU will retain the right to award the base bid alone or exercise the additional options within the period of one year of the completion of the base bid. Due to the cost of this spec and its options, approximately \$38,000 for the base, \$15,000 for option 1, and \$38,000 for option two, a specification has been prepared. This item is budgeted under budget page number 367 with \$100,000.

If you have any questions please contact me know.

Yours Truly

To Whom It May Concern

Subject: Project Summary for Supply, Install, and Testing of Natural gas-low pressure steam boiler, associated trim, and steam water heater

Please be advised the Vineland Municipal Utilities is advertising for the supply, install, and testing of a complete heating system including a Natural Gas-Low Pressure Steam Boiler, Steam Boiler feed pumps, complete boiler feed unit, complete power and control wiring, and removal and disposal of the existing boiler and associated equipment. It also covers the supply and installation of 6 new steam water heaters and 6 digital thermostats. The aging boiler network is in need of replacement. Due to the cost of this spec, approximately \$190,000, a specification has been prepared. This item is budgeted under budget page number E361B with \$201,000.

If you have any questions please contact me know.

RFP SUMMARY
LEASE OF SPACE ON ELEVATED WATER TANK
W. FOREST GROVE ROAD

The intent of the proposal is to ascertain the highest bid for lease of space for placement of a telecommunications antenna installation, equipment building(s) and appurtenances on a portion of property owned by the City of Vineland which is not needed for use by the municipality at this time.

The term of the proposed lease shall not exceed 25 years which shall include any initial term and any option(s) to extend which may be exercised by the Carrier, based upon the Minimum Base Rent, as well as annual percentage increases.
