This is a request to award the purchase of (8) Mobile Video Recorders at a cost of \$4,745.00 per unit, for a total amount not to exceed **\$37,960.00** for the Police Department through the National Cooperative Contract –HGAC-Buy. By using the national contract, the city will save time and costs associated with bid specification preparation, receiving bids and awarding a contract.

This is the same Mobile Video Recorders recently bid by the City and awarded to the same vendor. The recorders were purchased for \$4,300 each. The increased cost is due to an additional piece of equipment (wireless kit) that each unit will be required to have so wireless video upload is possible.
