Letter of Agreement

Re: Vineland Department of Public Health

This letter details the terms of agreement between the Cumberland-Cape-Atlantic YMCA and the Vineland Department of Health for \$136,588 beginning October 1, 2016 through September 30, 2017.

- The Center for Disease Control under the Partnership to Improve Community Health grant has approved all implementation grants; we are awaiting final sign-offs.

The Vineland Health Department will provide the services required to support the Collective Impact for Health Equity in Vineland City during the 3rd year of implementation in accordance with the following:

- Assist the local Vineland partnership in identifying and prioritizing school-specific implementation strategies based on the strategic plan submitted to the CDC.
- Assist the local Vineland partnership in identifying strategic community stakeholders (Community Partnership members) that may assist with the implementation of the strategic plan.
- Attend local partnership meetings as requested and provide ongoing consultative support;
- Provide ongoing implementation support to the local partnership, Core Team/Steering Committee;
- Provide one Healthy Kids Champion, two Health Educators and one Bilingual outreach worker to combined work full time in the schools and the target community. All staff will be utilized to provide resources to create an awareness education as it relates to population health and chronic disease prevention. They will be used to assist in collecting data, surveys and coordinating the various projects that will create environmental and policy change.

It is understood that this agreement is contingent upon the successful award and continuation of grant funding from the CDC- Partnership to Improve Community Health Grant. This agreement may be reviewed and amended as deemed necessary by both parties to assure that the consultative services meet the project's emerging needs. Any significant changes will be documented and incorporated herein.
