To Whom It May Concern

Subject: Project Summary Fiber Optic Cable Supply and Installation for Board of Ed and City Hall

Please be advised the Vineland Municipal Utilities is advertising to install overhead ADSS fiber optic cable for the Board of Education and City Hall. These locations include: the new Middle School on South Lincoln Ave, the Board of Education Executive Building on West Blvd South of Foster Ave, the Police Athletic League Building on 6th and Elmer ST, and finally the Mays Landing Rd Shooting range for VPD. Due to the cost of installing fiber at these distances, approximately \$100,000 (\$45,000 for City Hall and \$55,000 for Board of Education), a specification has been prepared.

If you have any questions please contact me know.

Yours Truly
