**CONSOLIDATED RAIL CORPORATION
LICENSE AGREEMENT FOR WIRE OCCUPATION**

THIS LICENSE AGREEMENT is made this January 16, 2017 between **CONSOLIDATED RAIL CORPORATION**, a Pennsylvania Corporation, ("Conrail") and **THE CITY OF VINELAND**, a New Jersey municipality ("Licensee").

WITNESSETH:

WHEREAS, Licensee has requested occupation of Conrail's property as set forth in this License; and

WHEREAS, the parties have reached accord concerning the terms and conditions for Licensee's occupation of Conrail's property and desire to reduce them to writing.

NOW, THEREFORE, the parties hereto, intending to be legally bound, agree as follows:

1. FACILITIES

(a) Conrail insofar as it has the legal right and its present title permits, and in consideration of the covenants and conditions hereinafter stated on the part of Licensee to be kept and performed, hereby permits Licensee to construct, maintain, repair, alter, renew, relocate and ultimately remove one (1) three-inch steel casing pipe containing wiring for traffic signal and warning devices, under the roadway and track of Conrail's Millville Industrial Track, Line Code 10-9909 at Mile Post 34.23+/- near Landis Avenue located in the City of Vineland, Cumberland County, in the State of New Jersey, in accordance with Drawings: CT 2001 and CT 2002 dated 5/25/15 submitted by Licensee to and approved by Conrail ("Construction Plan"), attached hereto and made a part of this License; also in accordance with current issues of Conrail's Specifications CE-4 and/or CE 8 (all and any part thereof being hereafter referred to as the "Facilities").

(b) This License shall not be deemed or construed as transferring to Licensee any interest in the land of Conrail or any right in the nature of an interest in land, irrespective of any expenditure by Licensee for the Facilities.

2. CONSIDERATION FEE

Licensee shall pay to Conrail upon the execution hereof, the sum of Ten Thousand Dollars (\$10,000.00) as reimbursement for the rights granted in this Agreement.

3. CONSTRUCTION

(a) Licensee may not enter upon Conrail's property until the method of installation and all related matters have been approved by the Area Engineer of Conrail or his duly designated representative.

(b) The Facilities shall be located, constructed and maintained in exact accordance with

said Construction Plans and for the purpose as outlined in Section 1(a) hereof. No departure shall be made at any time therefrom except upon permission in writing granted by the Area Engineer of Conrail or his designee, provided, however, that if any commission or other regulatory body duly constituted and appointed in compliance with the laws of the State in which the crossing or occupancy herein provided is situate, and having jurisdiction in the premises, has by ruling or other general order determined and fixed the manner and means of construction, maintenance, repair, alteration, renewal, relocation or removal thereof, then said ruling or general order shall prevail for the crossing or occupancy herein mentioned.

(c) The work of constructing, maintaining, repairing, altering, renewing, relocating or removing the said Facilities shall be done under such general conditions as will be satisfactory to and approved by the Area Engineer of Conrail, or his designee, and as will not interfere with the proper and safe use, operation and enjoyment of the property of Conrail. Licensee, at its own cost and expense, shall, when performing any work in connection with the Facilities, furnish any necessary inspectors, flagmen or watchmen to see that men, equipment and materials are kept a safe distance away from the tracks of Conrail.

(e) The right of supervision over the location of the construction work and inspection of the Facilities from time to time thereafter by Conrail, shall extend for an appropriate distance on each side of the property of Conrail as the method of construction and materials used may have an important bearing upon the strength and stability of the Facilities over, under, upon or in the property of Conrail.

(f) In addition to, but not in limitation of any of the foregoing provisions, if at any time Conrail should deem inspectors, flagmen or watchmen desirable or necessary to protect its operations or property, or its employees, patrons or licensees during the work of construction, maintenance, repair, alteration, renewal, relocation or removal of the Facilities, Conrail shall have the right to place such inspectors, flagmen or watchmen at the sole risk, cost and expense of Licensee, which covenants and agrees to bear the full cost and expense thereof and to promptly reimburse Conrail upon demand. The furnishing or failure to furnish inspectors, flagmen or watchmen by Conrail, however, shall not release Licensee from any and all other liabilities assumed by Licensee under the terms of this License.

(g) In the event the Facilities consist of an underground occupation, Licensee will be responsible for any settlement caused to the roadbed, right of way and/or tracks, Facilities and appurtenances of Conrail arising from or as a result of the installation of the said Facilities for a period of one (1) year subsequent to the date of completion of the installation, and Licensee agrees to pay to Conrail on demand the full cost and expense therefor.

(h) In the event the Facilities consist of electrical power or communication wires and/or appurtenances, Licensee shall at all times be obligated promptly to remedy any inductive interference growing out of or resulting from the presence of its Facilities; and if Licensee should fail so to do, then Conrail may do so, and Licensee agrees to pay to Conrail on demand the full cost and expense therefor.

4. MAINTENANCE

← (a) Licensee shall at all times be obligated to promptly maintain, repair and renew said

Facilities; and shall, upon notice in writing from Conrail and requiring it so to do, promptly make such repairs and renewals thereto as may be required by Conrail; or Conrail, for the purpose of protecting and safeguarding its property, traffic, patrons or employees from damage or injury, may with ~~or~~ ^{immediate} without notice to Licensee at any time make such repairs and renewals thereto and furnish such material therefor as it deems adequate and necessary, all at the sole cost and expense of Licensee, and thereafter bill Licensee in accordance with the terms of Section 6 hereof.

(b) If Licensee desires or is required, as herein provided, to revise, renew, add to or alter in any manner whatsoever the Facilities, Licensee shall submit plans to Conrail and obtain the written approval of the Area Engineer of Conrail thereto before any work or alteration of the Facilities is performed and the terms and conditions of this License with respect to the original construction shall apply thereto. In that event, Conrail reserves the right to assess additional charges.

(c) In the event of an emergency, Licensee will take immediate steps to perform any necessary repairs to the Facilities, and in the event Licensee fails so to do, Conrail will perform said necessary repairs at the sole cost and expense of Licensee, and thereafter, bill Licensee in accordance with the terms of Section 6 hereof.

5. MAINTENANCE OF CONRAIL RIGHT-OF-WAY

Licensee shall, at its sole cost and expense, upon request in writing of Conrail, promptly change the location of the Facilities covered by this License, where located over, upon or in the property and of Conrail, to another location, to permit and accommodate changes of grade or alignment and improvement in or additions to land now or hereafter owned or used by Conrail to the extent that said construction shall at all times comply with the terms and conditions of this License with respect to the original construction; or in the event of the lease, sale or disposal of the premises or any part thereof encumbered by this License, then Licensee shall make such adjustments or relocations in its Facilities as are over, upon or in the property of Conrail as may be required by said Conrail or its grantee; and if Licensee shall fail or refuse to comply therewith, then the duly authorized agents of Conrail may make such repairs or adjustments or changes in location and provide necessary material therefor at the sole cost and expense of Licensee, and thereafter, bill Licensee in accordance with the terms of Section 6 hereof.

6. BILLING

(a) All cost and expenses in connection with the construction, maintenance, repair, alteration, renewal, relocation and removal of the Facilities shall be borne by Licensee, and in the event of work being performed or material furnished by Conrail under the stipulated right to perform such work of construction, maintenance, repair, alteration, renewal, relocation or removal under any section hereof, Licensee agrees to pay to Conrail the actual cost of material plus the current applicable overhead percentages for storage, handling, transportation, purchasing and other related material management expenses and the actual cost of labor plus the current applicable overhead percentages as developed and published by the accounting department of Conrail for fringe benefits, payroll taxes, administration, supervision, use of tools, machinery and other equipment, supplies, employers liability insurance, public liability insurance, and other insurance, taxes and all other indirect expenses. It is to be understood that the aforementioned material and labor overhead charges are to be applied at the rates which are effective at the time of the performance of any work by employees of Conrail on the said Facilities. Licensee agrees to pay such bills within thirty (30) days of the presentation thereof by Conrail.

(b) Automobile mileage charges incurred by aforementioned Conrail inspectors, flagmen or watchmen in connection with the installation, maintenance, etc., of the Facilities will be based on allowances approved by the United States Government in effect at the time the expenses are incurred.

7. TAXES

As part of the consideration of this License, Licensee covenants and agrees that no assessments, taxes or charges of any kind shall be made against Conrail or its property by reason of the construction of the Facilities, and Licensee further covenants and agrees to pay to Conrail promptly upon bills rendered therefor the full amount of any assessments, taxes or charges of any kind which may be levied, charged, assessed or imposed against Conrail or its property by reason of the construction and maintenance of the Facilities.

8. LIABILITY

(a) It is understood between the parties hereto that the operations of Conrail at or near the Facilities involve some risk, and Licensee as part of the consideration for this License hereby releases and waives any right to ask for or demand damages for or on account of loss of or injury to the Facilities (and contents thereof) of Licensee that are over, under, upon or in the property of Conrail including the loss of or interference with service or use thereof and whether attributable to the fault, failure or negligence of Conrail or otherwise.

(b) Licensee also covenants and agrees to and shall at all times indemnify, protect and save harmless Conrail from and against all cost or expense resulting from any and all losses, damages, detriments, suits, claims, demands, costs and charges which Conrail may directly or indirectly suffer, sustain or be subjected to by reason or on account of the construction, placement, attachment, presence, use, maintenance, repair, alteration, renewal, relocation or removal of the Facilities in, on, about or from the premises of Conrail whether such losses and damages be suffered or sustained by Conrail directly or by its employees, patrons or licensees, or be suffered or sustained by other persons or corporations, including Licensee, its employees and agents who may seek to hold Conrail liable therefor, and whether attributable to the fault, failure or negligence of Conrail or otherwise, except when proved by Licensee to be due directly to the sole negligence of Conrail.

(c) Notwithstanding anything contained in Section 8(b) hereof, and irrespective of any negligence of Conrail, Licensee assumes sole responsibility for, and agrees to indemnify, save harmless and defend Conrail from and against all claims, actions, or legal proceedings arising, in whole or in part, from; (i) the failure of Licensee to comply with any obligations imposed on it by this License, or (ii) any claims, actions, or legal proceedings under the Federal Employer's Liability Act and any amendments to such Act now or hereafter in effect, alleging or claiming, in legal effect, that Conrail in respect to that portion of its land which lies under or near the FACILITIES, failed to correct or guard against an unsafe condition or failed to furnish a safe place to work. Failure by Conrail to make verbal or written complaints to Licensee with respect to unsafe working conditions or with respect to Licensee's failure to carry out its obligations under this License or knowledge on the part of Conrail of such unsafe working conditions or place to work and of such failures by Licensee to carry out its obligations under this License shall not be deemed to constitute acquiescence therein by Conrail or actionable negligence on the part of Conrail.

(d) If a claim or action is brought against either party and for which the other party may be responsible hereunder in whole or in part, such other party shall be notified and permitted to participate in the handling or defense of such matter.

actions taken by Licensee
