REPORT TO: THE MAYOR AND COUNCIL

RE: Proposals Submitted to the Purchasing Board on 7/9 & 7/23/13

Dear Mayor and Members of Council:

Submitted to you herewith for your consideration is our evaluation of the proposals submitted to the Purchasing Board on July 9 and July 23, 2013.

COMPLETE THE INSTALLATION OF HONEYWELL ACCESS CONTROL SYSTEM – MUNICIPAL COURT

It is the recommendation of the I.S. Director, which has the concurrence of the Purchasing Agent and the Assistant Business Administrator that a contract be awarded to the lowest bidder, ComTec Systems Inc., Vineland, NJ, in the amount of \$26,995.00.

COMPLETION OF Z-88 RADIUM REMOVAL MEDIA REPLACEMENT AT EXISTING WELL NO. 5 WATER TREATMENT FACILITY

It is the recommendation of the Superintendent of the Water Utility, which has the concurrence of the Purchasing Agent and the Assistant Business Administrator that a contract be awarded to the only bidder as follows:

SECTION 1 – Removal and Disposal of WRT Z-88™
Radium Removal Media - \$96,707.00

SECTION 2 – Installation of WRT Z-88™ Radium Removal
Media and Start-Up - \$165,183.00 for a total of \$261,890.00

We trust that the above recommendations will receive your favorable consideration and that the recommended resolutions will be adopted as presented.

Respectfully submitted,

Denise Monaco
Assistant Business Administrator

Michael S. Lawler, CPWM, Superintendent

To: Mayor Bermudez and Council

From: Michael Lawler

Subject: Justification of Z-88 Radium Removal Media Replacement at Well # 5 Treatment Plant.

The reason the bid amount is \$11,890.00 higher than the budgeted or estimated amount is due to the fact that we were not able to accurately budget for the disposal end of the contract as we have not disposed of any of our spent media in the past and did not have a disposal number to use.

However we do feel that this amount is acceptable and fair and would like to move forward with the award of contract to the lone Bidder WRT LLC.

Thank You

Michael Lawler Superintendent, Vineland Water Utility

This media is used to remove radium from the drinking water at the Vineland Water Treatment plants. It is necessary to have a contract in place when the current media that is installed at the treatment plants has spent its useful life and is need of replacement.
