**Subject:** Contract Period

The contract period for the Turbine Filters (BID 2021-06) award shall read: Six (6) month period commencing June 1, 2021 ending December 31, 2021.

Due to the volatility of the market the vendor's bid is for just 6 months. A new bid will need to be done prior to end of year with added verbiage about an escalation clause if the market continues to be volatile. Any questions please call or email me.
