RE: Washington Avenue  
Request for **NO PARKING CERTAIN HOURS ORDINANCE**

I have received concerns from a business regarding their tractor trailers not being able to back into their docking station for deliveries along Washington Avenue due to vehicles parked in the roadway. Currently, parking is permitted on both sides of Washington Avenue. Washington Avenue is about 28 feet wide from curb to curb. The tractor trailers do not have enough space to turn their trailers with parking on both sides of the roadway.

In an effort to provide clear space for the business to operate, and minimize negative impact to residents, I recommend that parking be restricted only between the hours of 9:00 am to 2:00 pm. Please prepare an Ordinance establishing No Parking Certain Hours along Washington Avenue as follows:

<u>NAME OF STREET</u>	<u>SIDE</u>	<u>LOCATION</u>
Washington Avenue	South	From a point 280 feet west of the easterly curbline of Sixth St to a point 190 feet east thereof.

Also, a Work Order will be submitted to Public Works to install "NO PARKING BETWEEN 9:00 AM TO 2:00 PM" signs in the location stated above.

Should you have any questions and/or comments please feel free to contact me at extension 4098.
