MEMORANDUM TO: Bob Dickenson, Business Administrator

RE: 2021 Citywide Sidewalk Various Locations Change Order #1 (Final) Engineering File#: 21-005 CT #: 21-04002

Attached is a Positive (+) change order for \$34,677.82 (9.16%). This is the final change order.

The original contract amount for this project is \$378,507.70. Change Order No. 1 increases the total contract amount to \$413,185.52.

Additional locations were added for removal and replacement within the original contract locations. As such, some final quantities had major increases in contract items, notably in the concrete curb, sidewalk, and driveway items. After all work was complete, the City requested the Contractor to remove/replace additional sidewalk panels in the project locations to ensure all tripping hazards were eliminated. As such, a supplemental item was added for remobilization.

If you have any questions or comments please feel free to contact me at any time.

Sincerely, Stephonee Utekely

Stephanie Wakeley Assistant Engineer – Traffic, E.I.T.
