Subject: AFG fire grant application RESOLUTION info

Wanda,

For the AFG grant for the Fire Department, Here are the numbers as best as I can give you at the moment:

Software and Learning Management System to support Training (Target Solutions or similar Vendor) (for about 200 employees) \$25,000.00 (approximate)

Automated External Defibrillator's (AEDs) = (10) at \$1,435 each = \$14,350.00

Self-Contained Breathing Apparatus (SCBA) Air Bottles (30) at \$1,495 each = \$44,850.00

Automatic Chest Compression Device(s)- (LUCAS type system) (5) at \$17,000 each = \$85,000.00

This equates to \$169,200. That's my best guesstimate. The only way this number can and would change would be when we finalize with the FEMA rep confirming what the allotment amount for each category is.

1070 = 16,920 Total \$152,280.00
