RE: Glenn Terrace
Request for No Parking Ordinance

Bob Dickenson, Business Administrator: 

I have received concerns from residents regarding on-street parking along Glenn Terrace, south of Roberts Boulevard. As a result, I investigated the site and found that the roadway is not wide enough to accommodate parking on both sides of the street with two-way traffic. The roadway is 29 feet wide, which is only enough room to permit parking on one side of the road.

A letter was sent to all residents/property owners along this section of Glenn Terrace in September of last year. The letter was sent to notify them of the upcoming parking restriction as well as obtain their feedback on which side to restrict parking. Only one resident reached out to the Engineering office, where the resident stated they were agreeable to having parking restricted on their side of the street (east side).

Please prepare an Ordinance establishing No Parking along Glenn Terrace as follows:

<u>Name of Street</u>	<u>Side</u>	<u>Location</u>
Glenn Terrace	East	From the easterly curbline of Roberts Boulevard (at the southeast corner) to a point 260 feet south thereof

Also, a Work Order will be submitted to Public Works to install "No Parking" signs in the location stated above.

Should you have any questions and/or comments please feel free to contact me at extension 4098.

Very truly yours,

David J. Maillet, PE
City Engineer
