Subject: Donation To Vineland Fire Dept

Bob,

The Vineland Fire Dept did a wonderful job, at our fundraiser on October 8th. The whole crew were friendly & engaging to all of our guests, especially the children.

We would like to make a donation of \$2,500.00 to the Vineland Fire Dept as a token of appreciation For everything they did on the 8th but most importantly what they do for our community throughout the year.

Please let me know who I can make the check payable to & where to drop it off.

Thanks again Bob!
