MEMO

To: Council President Dr. Arthur and Members of City Council

As a result of the Senate favorably considering Demetrica Todd as an appointment to the Superior Court of NJ, Judge Todd has submitted her resignation from her position with the City of Vineland as Municipal Court Judge.

I have discussed her replacement with our police, local attorney, and court staff. Judge Teri Giordano has served as municipal court judge in numerous courts and has years of experience. All concur that Judge Giordano is well qualified and familiar with our court, having served there in the past.

Based upon the above, subject to Council's confirmation, I hereby appoint Teri Giordano to fill the unexpired term left by the resignation of Judge Demetrica Todd commencing immediately and continuing until November 22, 2023, and thereafter until reappointed or replaced.

Respectfully,

Bob Dickenson
Business Administrator
Acting Mayor
