RE: Handicap Parking Stalls
E. Plum Street
Request of Ordinance
City of Vineland, Cumberland County

Bob Dickenson, Business Administrator:

The City's Engineering Division is requesting an ordinance to revise the §694.-49 Handicap Parking ordinance for the removal of three handicap parking stalls on N Sixth Street between Wood Street and Plum Street. These on-street handicapped parking stalls were established by Ordinances No. 92-36 (established 5/26/92) and No. 94-47 (established 6/28/1994). The parking stalls were delineated by handicap parking signs and pavement markings.

The City had a construction project on Sixth Street last year related to concrete roadway repairs, asphalt overlay, and miscellaneous concrete work. During this project, the on-street handicap parking stalls and signage were removed. The parking stalls were no longer needed due to the relocation of the old Vineland Police Department.

As such, please repeal the Ordinance to no longer establish Handicap Parking Stalls along Sixth Street at the following locations:

Name of Street	Side	Limits
Sixth Street	East	From a point 116 feet south of the south curblineline of Plum Street to a point 22 feet south thereof
Sixth Street	East	From a point 199 feet south of the south curblineline of Plum Street to a point 22 feet south thereof
Sixth Street	East	From a point 127 feet north of the north curblineline of Wood Street to a point 50 feet south thereof

Should you have any questions and/or comments please feel free to contact me at extension 4098.

Very truly yours,

David J. Maillet, P.E.
City Engineer
