

We the undersigned are offering this petition to the Vineland Police Department to protect the safety and well-being of our families living along Magnolia road and Spring road.

The traffic in the area has been allowed to become reckless and raucous day and night. We have been subjected to excessive acceleration, speeding, failure to stop or even slowdown at traffic signs, noisy exhaust systems, improper passing and vehicles not street legal. We have 4 schools and a church in the area as well.
