RE: Revised No Passing Zone Plan  
Palermo Avenue  
Request of Ordinance  
City of Vineland, Cumberland County

Bob Dickenson, Business Administrator:

The City's Engineering Division is requesting an ordinance to revise the No Passing Zone of Palermo Avenue between Lincoln Avenue and Hance Bridge Road. The City repaved Palermo Avenue between Lincoln Avenue (CR 655) and Hance Bridge Road (CR 673) at the end of 2022. This was just a mill and resurface project with no changes to horizontal or vertical alignment. The reason for this request is residential development since the survey was last completed.

Palermo Avenue was last surveyed in 1976 (UTSC-34B) and contains six new intersections: Musterel Lane, Sonny's Trail, Bella Rosa Court, Medina Street, Bayberry Lane, and Daphne Drive. In addition, several new residential subdivisions have sprouted in the area creating additional traffic volumes on Palermo Avenue and its intersecting streets.

Attached for your information is a copy of the revised No Passing Zone map (dated October 4, 2022) for Palermo Avenue between Lincoln Avenue and Hance Bridge Road.

As such, please prepare an Ordinance for No Passing Zones at the following location:

<u>Name of Street</u>	<u>Side</u>	<u>Limits</u>
Palermo Avenue	Both	From Lincoln Avenue to Hance Bridge Road

Should you have any questions and/or comments please feel free to contact me at extension 4098.

Very truly yours,

David J. Maillet, P.E.  
City Engineer
