RE: Revised No Passing Zone Plan
Dante Avenue
Request of Ordinance
City of Vineland, Cumberland County

Bob Dickenson, Business Administrator: 

The City's Engineering Division is requesting an ordinance to revise the No Passing Zone of Dante Avenue, specifically between Venezia Avenue and Panther Road. The City repaved Dante Avenue between Spring and Union Road (CR 671) between 2010 and 2011. Both phases of the project were just a mill and resurface project with no changes to horizontal or vertical alignment. The reason for this request is residential development since the survey was last completed.

Dante Avenue was last surveyed in 1993 (NPZ-3543). Since the last survey, Dante Avenue contains five new intersections: Jr Drive, Dolly Drive, Wynnewood Drive, Whispering Woods Way, and Ferrari Drive. In addition, several new residential subdivisions have sprouted in the area creating additional traffic volumes on Dante Avenue and its intersecting streets.

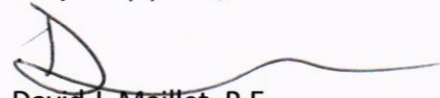

Attached for your information is a copy of the revised No Passing Zone map (dated March 6, 2023) for Dante Avenue between Spring Road and Union Road.

As such, please prepare an Ordinance for No Passing Zones at the following location:

<u>Name of Street</u>	<u>Side</u>	<u>Limits</u>
Dante Avenue	Both	From Spring Road to Panther Road

Should you have any questions and/or comments please feel free to contact me at extension 4098.

Very truly yours,

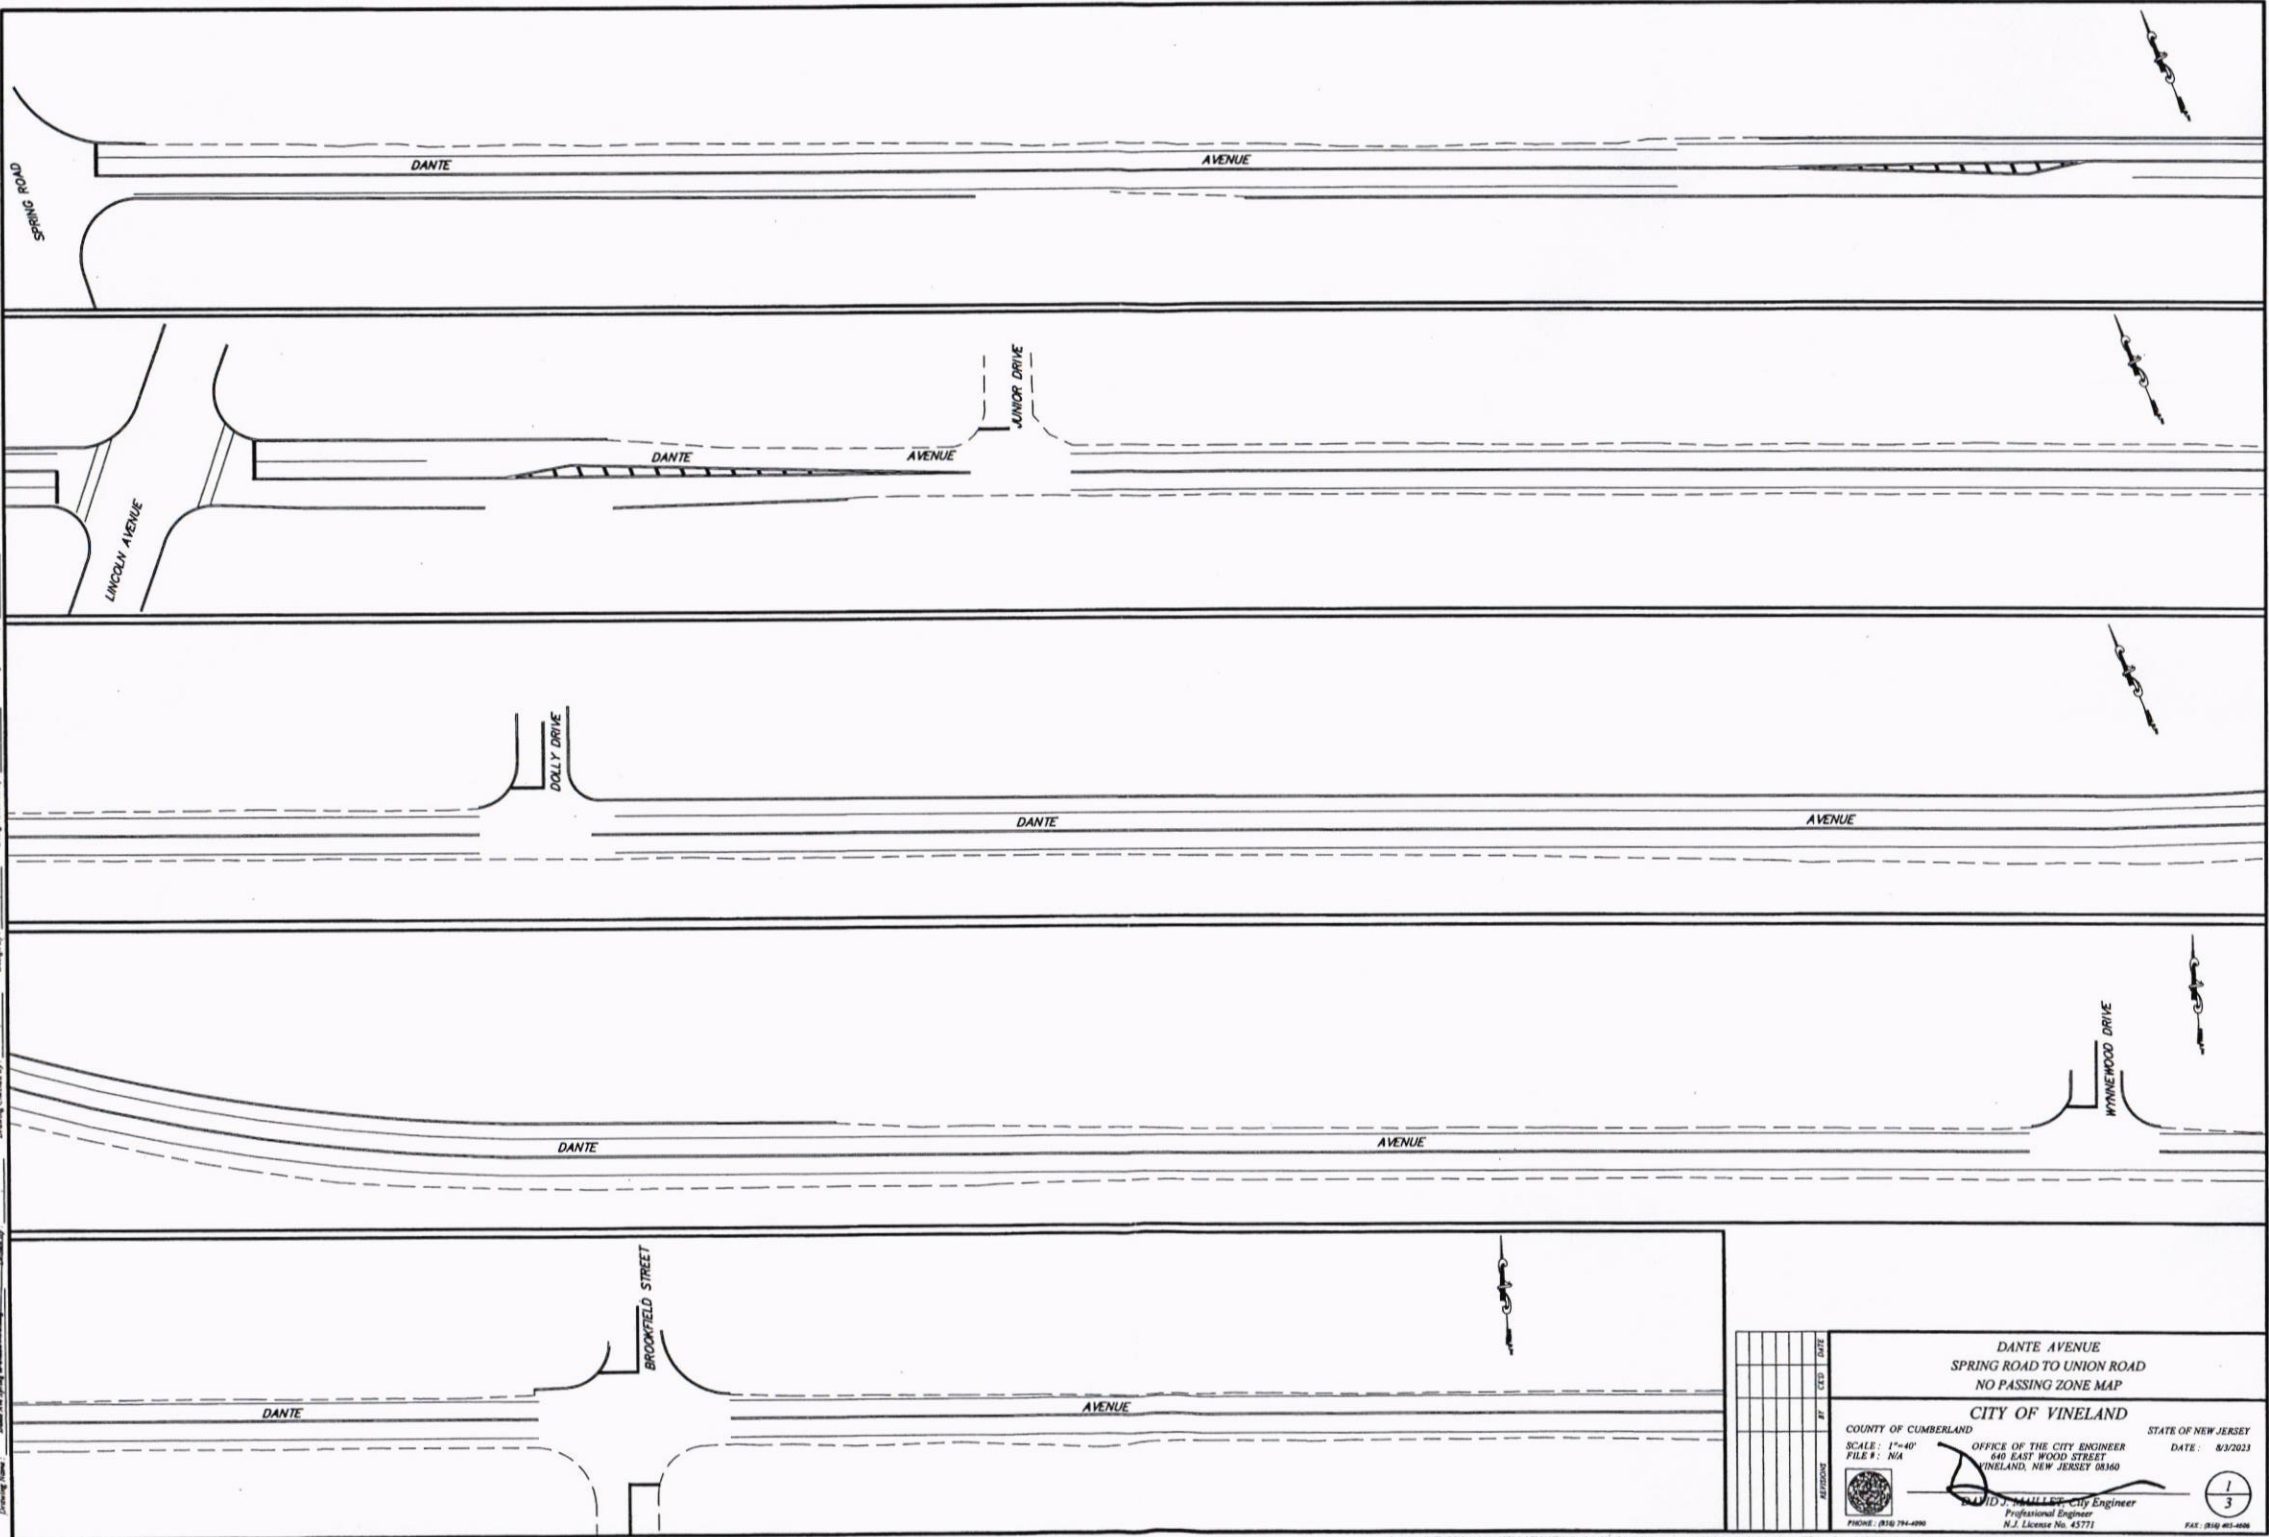

David J. Maillet, P.E.
City Engineer
