Subject: COV Bid 2024-27

Jeanine,

I just spoke to Rob Portadin and Dave Manders. They confirmed that the bid specs require the general contractor to list the sub contractors as it relates to the steel work on the project as they advised that the work is in fact structural steel. As I indicated previously, the bid of Ogren must be rejected and the next lowest bidder, if they met all the requirements, should be awarded the bid.
