**WHEREAS**, the City of Vineland has been identified as a "de minimis contributor" and Section 122(g) of the Superfund Laws allows the EPA to enter into "de minimis settlements" with entities that contributed a minimal amount of waste to the Site; and

WHEREAS, the EPA has proposed that the City enter into a de minimis settlement with the EPA in accordance with the Administrative Settlement Agreement and Order on Consent, as attached hereto and made a part hereof, wherein the City would pay claims as follows: \$682.97 for "City of Vineland" claims, \$319.22 for "Vineland Water Utility" claims, and \$274.88 for "Vineland Fire Department" claims for a total of \$1,277.07 without any admission of liability and be released from any further liability.

## I. JURISDICTION

- 1. This Administrative Order on Consent ("Settlement Agreement") is issued pursuant to the authority vested in the President of the United States by Section 122(g)(4) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended ("CERCLA"), 42 U.S.C. § 9622(g)(4), to reach settlements in actions under Section 106 or 107 of CERCLA, 42 U.S.C. § 9606 or 9607. The authority vested in the President has been delegated to the Administrator of the United States Environmental Protection Agency ("EPA") by Executive Order 12580, 52 Fed. Reg. 2923 (Jan. 29, 1987). This authority was further delegated to the Director of the Superfund and Emergency Management Division within Region 2.
- 2. This Administrative Order on Consent is issued to the persons, corporations, or other entities identified in Appendix A ("Respondents"). Each Respondent agrees to undertake all actions required by this Settlement Agreement. Each Respondent further consents to and will not contest EPA's jurisdiction to issue this Settlement Agreement or to implement or enforce its terms.
- 3. EPA and Respondents agree that the actions undertaken by Respondents in accordance with this Settlement Agreement do not constitute an admission of any liability by any Respondent. Respondents do not admit, and they retain the right to controvert in any subsequent proceedings other than proceedings to implement or enforce this Settlement Agreement, the validity of the Statement of Facts or Determinations contained in Sections V and VI, respectively, of this Settlement Agreement.

### II. PARTIES BOUND

4. This Settlement Agreement shall apply to and be binding upon EPA and upon Respondents and their heirs, successors, and assigns. Any change in ownership or corporate or other legal status of a Respondent, including but not limited to any transfer of assets or real or personal property, shall in no way alter such Respondent's responsibilities under this Settlement Agreement. Each signatory to this Settlement Agreement certifies that he or she is authorized to enter into the terms and conditions of this Settlement Agreement and to execute and bind legally the party represented by him or her.

# III. STATEMENT OF PURPOSE

- 5. By entering into this Settlement Agreement, the mutual objectives of the Parties are:
  - a) to reach a final settlement among the Parties with respect to the Pure Earth Recycling site ("Site") pursuant to Section 122(g) of CERCLA, 42 U.S.C. § 9622(g), that allows Respondents to make a cash payment, including a premium, to resolve their alleged civil liability under Sections 106 and 107 of CERCLA, 42 U.S.C. §§ 9606 and 9607, for injunctive relief with regard to the Site and for response costs incurred and to be incurred at or in connection with the Site by any party except the State, thereby reducing litigation relating to the Site;
  - b) to simplify any remaining administrative and judicial enforcement activities concerning the Site by eliminating a substantial number of potentially responsible parties from further involvement at the Site; and

c) to obtain settlement with Respondents for their fair share of response costs incurred and to be incurred at or in connection with the Site by EPA from the EPA Hazardous Substance Superfund, and by any other persons except the State, and to provide for full and complete contribution protection for Respondents as set forth in this Settlement Agreement with regard to the Site pursuant to Sections 113(f)(2) and 122(g)(5) of CERCLA, 42 U.S.C. §§ 9613(f)(2) and 9622(g)(5), or as otherwise may be provided by law.

"United States" shall mean the United States of America, and each department, agency, and instrumentality of the United States, including EPA.

# V. STATEMENT OF FACTS

- 7. The Site was operated by Pure Earth Recycling, Inc. ("PER"), a wholly-owned subsidiary of Pure Earth, Inc., (EPA ID No. NJD981178346) (previously known as Casie Ecology Oil Salvage Inc. (EPA ID No. NJD045995693) and Mid-Atlantic Recycling Technologies Inc. (MART) (EPA ID No. NJR00031377) as a commercial solid and hazardous waste facility to store and treat on-site and off-site waste prior to shipment to off-site authorized facilities. PER and its predecessors accepted waste oils and wastewaters at the Site that contained trace organic or surfactant compounds as well as receiving soil contaminated with petroleum wastes and manufactured gas plant residues from soil remediation contractors.
- 8. Hazardous substances as defined in Section 101(14) of CERCLA, 42 U.S.C. § 9601(14), have been released at or from the facility. EPA's On-Scene Coordinators initially observed over 100 drums of oxidizers, acids, and other chemicals scattered about the premises, most of which were located outside and exposed to the elements. Some of the chemicals identified at the Site included acetone, arsenic, barium, benzene, cadmium, chromium, carbon tetrachloride, cresol-m, cresol-p, lead, mercury, methyl ethyl ketone, methyl tert-butyl ether, silver, tetrachloroethylene, and tricholoroethylene.
- 9. Dozens of compressed gas cylinders were also observed, including cylinders containing hydrogen, acetylene and oxygen. Streams of liquid leaking from a portable storage tank and from the above-ground storage tanks labeled "waste oil" were also observed. As a result of the prior release or threatened release of hazardous substances, EPA undertook response activities at or in connection with the Site under Section 104 of CERCLA, 42 U.S.C. § 9604. From 2012 to 2018, EPA conducted response activities at the Site that

- included the characterization, removal, and disposal of liquids and solid wastes containing hazardous substances from storage tanks, roll offs, and associated process piping. In performing these removal activities, EPA addressed the tanks at the Site with the exception of Tank 17.
- 10. On September 10, 2020, EPA and a group of entities (the Pure Earth Site Removal Action Performing Parties Group) entered into an administrative settlement agreement and order on consent, CERCLA Docket No. 02-2019-2008, under which the settlors agreed to perform an action involving the removal and disposal of waste oil and sludge from Tank 17 that contained benzene, methyl ethyl ketone, methyl tertiary-butyl ether, and acetone, as well as to make a payment to reimburse a portion of EPA's past response costs incurred at or in connection with the Site.
- 11. As described above, EPA has incurred response costs at or in connection with the Site in performing various response activities. Through March 31, 2024, EPA has incurred and paid an estimated \$7,211,491 in response costs at the Site, of which \$6,209,087 is associated with liquid waste material. EPA has recovered \$1,194,365 to date, reducing our unreimbursed past costs to an estimated \$5,014,721.
- 12. EPA has reason to believe, based on evidence obtained regarding the Site, that each Respondent listed on Appendix A has arranged for disposal or treatment of a hazardous substance at the Site.
- 13. EPA has determined that the amount of hazardous substances contributed to the Site by each Respondent is *de minimis* and is unlikely to exceed 1.5% of the gallons of materials containing hazardous substances at the Site, and we have no reason to believe that the hazardous substances contributed by each Respondent to the Site are significantly more toxic or of significantly greater hazardous effect than other hazardous substances disposed of or treated at the Site. The amount of materials containing hazardous substances that EPA ascribes as contributed to the Site by each Respondent is listed in Appendix B.
- 14. EPA estimates that the total unreimbursed response costs incurred at or in connection with the Site by EPA related to the liquid wastes contributed to the Site by parties such as Respondents is \$5,014,721.84. The payment required to be made by each Respondent pursuant to this Settlement Agreement is a minor portion of this total amount proportional to wastes each Respondent sent to the Site.

#### VI. DETERMINATIONS

- 15. Based upon the Statement of Facts set forth above and on the administrative record for this Settlement Agreement, EPA has determined that:
  - a) The Site is a "facility" as that term is defined in Section 101(9) of CERCLA, 42 U.S.C. § 9601(9);
  - b) Each Respondent is a "person" as that term is defined in Section 101(21) of CERCLA, 42 U.S.C. § 9601(21);
  - c) Each Respondent is a "potentially responsible party" within the meaning of Section 122(g)(1) of CERCLA, 42 U.S.C. § 9622(g)(1);

- d) There has been an actual or threatened "release" of a "hazardous substance" from the Site as those terms are defined in Section 101(22) and (14) of CERCLA, 42 U.S.C. § 9601(22) and (14);
- e) The actual or threatened "release" caused EPA to incur response costs;
- f) Settlement with each Respondent is practicable and in the public interest within the meaning of Section 122(g)(1) of CERCLA, 42 U.S.C. § 9622(g)(1);
- g) As to each Respondent, this Settlement Agreement involves only a minor portion of the response costs at the Site within the meaning of Section 122(g)(1) of CERCLA, 42 U.S.C. § 9622(g)(1), and
- h) The amount of hazardous substances contributed to the Site by each Respondent and the toxic or other hazardous effects of the hazardous substances contributed to the Site by each Respondent are minimal in comparison to other hazardous substances at the Site within the meaning of Section 122(g)(1)(A) of CERCLA, 42 U.S.C. § 9622(g)(1)(A).
- 16. Based upon the administrative record for this Settlement Agreement and the Statement of Facts and Determinations set forth above, and in consideration of the promises and covenants set forth in this Settlement Agreement, the following is hereby agreed to and ordered.

## VII. PAYMENT

- 17. Within 30 days after the Effective Date, each Respondent shall pay to EPA the amount set forth in Appendix B to this Settlement Agreement.
- 18. Each Respondent's payment includes an amount for (a) past response costs incurred at or in connection with the Site and (b) a premium to cover the risks and uncertainties avoided by participating in this settlement, including but not limited to the risk that total response costs incurred or to be incurred at or in connection with the Site by EPA or by any other person, except the State, will exceed the estimated total response costs upon which Respondents' payments are based.
- 19. Each Respondent shall make payment at <a href="https://www.pay.gov">https://www.pay.gov</a> in accordance with the following instructions: enter "sfo 1.1" in the search field to access EPA's Miscellaneous Payment Form Cincinnati Finance Center. To do so, complete the form, including referencing the Pure Earth Recycling Superfund site, Site/Spill ID Number A284, and this Settlement Agreement Index No. CERCLA-02-2024-2015.
- 20. **Deposit of Payment**. The total amount to be paid by Respondents pursuant to Paragraph 17 shall be deposited by EPA in the EPA Hazardous Substance Superfund.
- 21. **Notice of Payment.** At the time of payment, each Respondents shall send notice that payment has been made to (a) Irmgard Lopez, On-Scene Coordinator, by email at lopez.irmgard@epa.gov, (b) the EPA Cincinnati Finance Office by email at <a href="mailto:cinwd\_acctsreceivable@epa.gov">cinwd\_acctsreceivable@epa.gov</a>, and (c) Jocelyn Scott, Site Attorney, by email at scott.jocelyn@epa.gov. Such notice shall reference Site/Spill ID Number A284 and the EPA Settlement Agreement Index No. CERCLA-02-2024-2015 for this action.

#### VIII. FAILURE TO MAKE PAYMENT

22. If any Respondent fails to make full payment within the time required by Paragraph 17, that Respondent shall pay Interest on the unpaid balance, which shall accrue from the Effective Date until the date of payment. In addition, if any Respondent fails to make full payment as required by Paragraph 17, the United States may, in addition to any other available remedies or sanctions, bring an action against that Respondent seeking injunctive relief to compel payment and/or seeking civil penalties under Section 122(*l*) of CERCLA, 42 U.S.C. § 9622(*l*), for failure to make timely payment.

## IX. CERTIFICATION OF RESPONDENTS

- 23. By signing this Settlement Agreement, each Respondent certifies, individually, that, to the best of its knowledge and belief, it:
  - a) has not altered, mutilated, discarded, destroyed, or otherwise disposed of any records, reports, documents, or other information (including records, reports, documents, or other information in electronic form other than identical copies) relating to its potential liability regarding the Site since notification of potential liability by the United States or the State; and
  - b) has and will comply fully with any EPA and State requests for information regarding the Site pursuant to Sections 104(e), 122(e)(3)(B), and 122(g)(8) of CERCLA, 42 U.S.C. §§ 9604(e), 9622(e)(3)(B), and 9622(g)(8), and Section 3007 of RCRA, 42 U.S.C. § 6927, and state law.

## X. COVENANTS BY UNITED STATES

24. Covenants for Respondents. Except as specifically provided in Section XI (Reservations of Rights by United States), the United States covenants not to sue or take administrative action against any of the Respondents pursuant to Sections 106 or 107 of CERCLA, 42 U.S.C. §§ 9606 or 9607, relating to the Site. With respect to present and future liability, these covenants shall take effect for each Respondent upon the Effective Date. With respect to each Respondent, individually, these covenants are conditioned upon the following: (a) the satisfactory performance by Respondent of all obligations under this Settlement Agreement; and (b) the veracity and completeness of information, if any, provided to EPA by Respondent relating to Respondent's involvement with the Site. These covenants extend only to Respondents and do not extend to any other person not a Respondent to this Settlement Agreement.

#### XI. RESERVATIONS OF RIGHTS BY UNITED STATES

- 25. The United States reserves, and this Settlement Agreement is without prejudice to, all rights against Respondents with respect to all matters not expressly included within Section X (Covenants by United States). Notwithstanding any other provision of this Settlement Agreement, the United States reserves all rights against Respondents with respect to the following:
  - a) liability for failure to meet a requirement of this Settlement Agreement;

- b) criminal liability;
- c) liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments;
- d) liability of a Respondent based on the ownership or operation of the Site by such Respondent; and
- e) liability based on a Respondent's transportation, treatment, storage, or disposal, or arrangement for transportation, treatment, storage, or disposal, of a hazardous substance or a solid waste at or in connection with the Site, after signature of this Settlement Agreement by such Respondent.
- 26. Notwithstanding any other provision in this Settlement Agreement, the United States reserves, and this Settlement Agreement is without prejudice to, the right to institute judicial or administrative proceedings against any individual Respondent seeking to compel that Respondent to perform response actions relating to the Site, and/or to reimburse the United States for additional costs of response, if information is discovered that indicates that such Respondent contributed hazardous substances to the Site in such greater amount or of such greater toxic or other hazardous effects that such Respondent no longer qualifies as a *de minimis* party at the Site because such Respondent contributed 1.5% or more of the total amount of liquid materials containing hazardous substances at the Site, or contributed hazardous substances that are significantly more toxic or are of significantly greater hazardous effect than other hazardous substances at the Site.

## XII. COVENANTS BY RESPONDENTS

# 27. Covenants by Respondents

- a) Respondents covenant not to sue and agree not to assert any claims or causes of action against the United States or its contractors or employees with respect to the Site and this Settlement Agreement including, but not limited to the following:
  - (1) any direct or indirect claim for reimbursement from the EPA Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;
  - (2) any claim arising out of response actions at or in connection with the Site, including any claim under the United States Constitution, the Constitution of the State of New Jersey, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, or at common law; and
  - (3) any claim pursuant to Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613, Section 7002(a) of RCRA, 42 U.S.C. § 6972(a), or State law regarding the Site.
- b) Except as provided in Paragraph 29 (waiver of claims) and Paragraph 34 (waiver of claim-splitting defenses), these covenants not to sue shall not apply in the event the United States brings a cause of action or issues an order pursuant to any of the reservations set forth in Section XI (Reservations of Rights by United States), other than in Paragraph 25.a. (liability for failure to meet a requirement of the Settlement

- Agreement) or 25.b. (criminal liability), but only to the extent that Respondents' claims arise from the same response action, response costs, or damages that the United States is seeking pursuant to the applicable reservation.
- 28. Nothing in this Settlement Agreement shall be deemed to constitute preauthorization or approval of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. § 300.700(d).
- 29. Respondents agree not to assert any claims and to waive all claims or causes of action (including but not limited to claims or causes of action under Sections 107(a) or 113 of CERCLA) that they may have for response costs relating to the Site against each other or any other person who is a potentially responsible party under CERCLA at the Site. This waiver shall not apply with respect to any defense, claim, or cause of action that a Respondent may have against any person if such person asserts a claim or cause of action relating to the Site against such Respondent. Furthermore, this waiver shall not apply to the State should it choose to be a Respondent to this Settlement Agreement.

#### XIII. EFFECT OF SETTLEMENT/CONTRIBUTION

- 30. Except as provided in Paragraph 29 (waiver of claims), nothing in this Settlement Agreement shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Settlement Agreement. Except as provided in Section XII (Covenants by Respondents), each of the Parties expressly reserves any and all rights (including, but not limited to, pursuant to Section 113 of CERCLA, 42 U.S.C. § 9613), defenses, claims, demands, and causes of action that each Party may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto. Nothing in this Settlement Agreement diminishes the right of the United States, pursuant to Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613(f)(2) and (3), to pursue any such persons to obtain additional response costs or seek injunctive relief related to response action and to enter into settlements that give rise to contribution protection pursuant to Section 113(f)(2).
- 31. The Parties agree that this Settlement Agreement constitutes an administrative settlement pursuant to which each Respondent has, as of the Effective Date, resolved its liability to the United States within the meaning of Sections 113(f)(2) and 122(g)(5) of CERCLA, 42 U.S.C. §§ 9613(f)(2) and 9622(g)(5), and is therefore entitled, as of the Effective Date, to protection from contribution actions or claims as provided by Sections 113(f)(2) and 122(g)(5) of CERCLA, or as may be otherwise provided by law, for the "matters addressed" in this Settlement Agreement. The "matters addressed" in this Settlement Agreement are all response actions taken or to be taken and all response costs incurred or to be incurred at or in connection with the Site by the United States or any other person, except for the State; provided, however, that if the United States exercises rights under the reservations in Section XI (Reservations of Rights by United States), other than in Paragraph 25.a. (liability for failure to meet a requirement of the Agreement) or 25.b. (criminal liability), the "matters addressed" in this Settlement Agreement will no longer include those response costs or response actions that are within the scope of the exercised reservation.
- 32. The Parties further agree that this Settlement Agreement constitutes an administrative settlement pursuant to which each Respondent has, as of the Effective Date, resolved its

- liability to the United States within the meaning of Section 113(f)(3)(B) of CERCLA, 42 U.S.C. § 9613(f)(3)(B).
- 33. Each Respondent shall, with respect to any suit or claim brought by it for matters related to this Settlement Agreement, notify EPA in writing no later than 60 days prior to the initiation of such suit or claim. Each Respondent shall, with respect to any suit or claim brought against it for matters related to this Settlement Agreement, notify EPA in writing within 10 days after service of the complaint or claim upon such Respondent. In addition, each Respondent shall notify EPA within 10 days after service or receipt of any Motion for Summary Judgment and within 10 days after receipt of any order from a court setting a case for trial for matters related to this Settlement Agreement.
- 34. In any subsequent administrative or judicial proceeding initiated by the United States for injunctive relief, recovery of response costs, or other relief relating to the Site, Respondents shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised in the subsequent proceeding were or should have been brought in the instant action, provided, however, that nothing in this Paragraph affects the enforceability of the covenants set forth in Section X (Covenants by United States).
- 35. Effective upon signature of this Settlement Agreement by a Respondent, such Respondent agrees that the time period commencing on the date of its signature and ending on the date EPA receives from such Respondent the payment required under Section VII (Payment) and, if any, Section VIII (Failure to Make Payment) shall not be included in computing the running of any statute of limitations potentially applicable to any action brought by the United States related to the "matters addressed", as defined in Paragraph 31, and that, in any action brought by the United States related to the "matters addressed," such Respondent will not assert, and may not maintain, any defense or claim based upon principles of statute of limitations, waiver, laches, estoppel, or other defense based on the passage of time during such period. If EPA provides notice to Respondents that it will not make this Settlement Agreement effective as described in Paragraph 39, the statute of limitations shall begin to run again commencing 90 days after the date such notice is sent by EPA.

# XIV. INTEGRATION/APPENDICES

36. This Settlement Agreement and its appendices constitute the final, complete, and exclusive agreement and understanding among the Parties with respect to the settlement embodied in this Settlement Agreement. The Parties acknowledge that there are no representations, agreements, or understandings relating to the settlement other than those expressly contained in this Settlement Agreement. The following appendices are attached to and incorporated into this Settlement Agreement:

<sup>&</sup>quot;Appendix A" is a list of Respondents to this Settlement Agreement.

<sup>&</sup>quot;Appendix B" is a list of Respondents, the amount of materials each Respondent is assigned to have contributed to the Site for the purpose of settlement, and their respective settlement payment amounts.

#### XV. PUBLIC COMMENT

37. This Settlement Agreement shall be subject to a public comment period of at least 30 days pursuant to Section 122(i) of CERCLA, 42 U.S.C. § 9622(i). In accordance with Section 122(i)(3) of CERCLA, 42 U.S.C. § 9622(i)(3), EPA may withdraw or withhold its consent to this Settlement Agreement if comments received disclose facts or considerations that indicate that this Settlement Agreement is inappropriate, improper, or inadequate.

## XVI. ATTORNEY GENERAL APPROVAL

38. The Attorney General or his designee has approved the settlement embodied in this Settlement Agreement in accordance with Section 122(g)(4) of CERCLA, 42 U.S.C. § 9622(g)(4).

## XVII. EFFECTIVE DATE

39. The effective date of this Settlement Agreement shall be the date upon which EPA issues written notice via electronic mail to the addressee provided by each Respondent on its signature page that the public comment period pursuant to Paragraph 37 has closed and that comments received, if any, do not require modification of or EPA withdrawal from this Settlement Agreement.
