**Re: Cooperative Contracts for the County of Cumberland and the Cumberland
County Cooperative Purchasing System Identifier #181-CCCCPS**

The County of Cumberland solicited bids for the following services and/or materials as authorized by N.J.S.A. 40 A:11-11(6) and regulated by N.J.A.C. 5:34-7.1.

This legislation permits government entities within the geographic boundaries of Cumberland County to utilize any contract made by the County provided that the successful bidder to the County is awarded a contract and has elected to extend their prices, and the terms and conditions of the County contract, to those government entities.

On July 23, 2019, the Cumberland County Board of Chosen Freeholders adopted a resolution to award contracts to provide these services and/or materials. All contractors elected to extend their prices to government entities within the geographic boundaries of the County; the Board declared them winning bidders for those government entities.

You may therefore, on a strictly voluntary basis, enter into contracts with any or all of the contractors for the below listed services and/or materials.

All terms and conditions of the contracts awarded by the County would apply to any contract(s) made with this form.
