- Section 7. The City hereby declares the intent of the City to issue bonds or bond anticipation notes in the amount authorized in Section 2 of this bond ordinance and to use the proceeds to pay or reimburse expenditures for the costs of the purposes or improvements described in Section 3 of this bond ordinance. This Section 7 is a declaration of intent within the meaning and for purposes of the Treasury Regulations.

Section 8. Any grant moneys received for the purposes or improvements described in Section 3 hereof shall be applied either to direct payment of the cost of the

improvements or to payment of the obligations issued pursuant to this bond ordinance.

The amount of obligations authorized but not issued hereunder shall be reduced to the extent that such funds are so used.

Section 9. The chief financial officer of the City is hereby authorized to prepare and to update from time to time as necessary a financial disclosure document to be distributed in connection with the sale of obligations of the City and to execute such disclosure document on behalf of the City. The chief financial officer is further authorized to enter into the appropriate undertaking to provide secondary market disclosure on behalf of the City pursuant to Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") for the benefit of holders and beneficial owners of obligations of the City and to amend such undertaking from time to time in connection with any change in law, or interpretation thereof, provided such undertaking is and continues to be, in the opinion of a nationally recognized bond counsel, consistent with the requirements of the Rule. In the event that the City fails to comply with its undertaking, the City shall not be liable for any monetary damages, and the remedy shall be limited to specific performance of the undertaking.

Re: \$9,200,000/\$8,740,000 Bond Ordinance

#### Dear Susan:

In accordance with your request, I have prepared and enclose herewith a form of bond ordinance providing for various capital improvements. The bond ordinance should be adopted in accordance with the usual procedure set forth below for your convenience.

The electronic Supplemental Debt Statement should be prepared on the date of introduction of the bond ordinance and sent to the Clerk on that same date. The Supplemental Debt Statement should also be filed electronically with the Division of Local Government Services prior to final adoption of the bond ordinance. Please retain a copy of the electronic receipt sent to you by the Division of Local Government Services, as we will need a copy for our records. In order to comply with the capital budget regulations, the bond ordinance contains a provision amending the capital budget to the extent of any inconsistency with the bond ordinance and it should be sent to Trenton and filed along with the resolution of the governing body in the form required by the Local Finance Board showing the details of the amended capital budget. It will not be necessary to publish the resolution.

The bond ordinance may be introduced and read by title only and adopted by a majority of the members of the governing body present, assuming a quorum. After introduction, the Notice of Pending Bond Ordinance and Summary must be published in the local newspaper, a form of which I have enclosed for your use. Also, the bond ordinance should be posted on the bulletin board customarily used for notices, together with the Notice of Pending Bond Ordinance and Summary, and copies of the bond ordinance should be made available to anyone who requests them of the Clerk after introduction.

The bond ordinance can be considered for final adoption not less than ten days after introduction and not less than seven days after the publication of the Notice of Pending Bond Ordinance and Summary. If the bond ordinance has been posted and copies made available as indicated above, the bond ordinance can be read at the second hearing by title only. If the bond ordinance posting procedure has not been followed, the bond ordinance must be read in full at the second hearing. After the bond ordinance is read for the second time, the governing body should hold a public hearing and should give all members of the public a chance to be heard on the bond ordinance. After the public

hearing, the bond ordinance can be finally adopted by the affirmative vote of not less than two-thirds of the full membership of the governing body. After final adoption, the Bond Ordinance Statement and Summary must be published, a copy of which I have enclosed for your use. Note that if the approval of an officer is required to make the bond ordinance effective, the bond ordinance must be approved by that officer, or passed over veto, before it is published after final adoption.

After the bond ordinance is finally adopted, it will be necessary for us to establish a record of proceedings documenting the proper adoption of the bond ordinance. In order to do this, we will need one completely executed set of the documents enumerated on the attached checklist. By copy of this letter, I am sending the Clerk a copy of the checklist along with a copy of the bond ordinance. With the exception of the Affidavits of Publication, I am also sending the Clerk the necessary certificates to be completed, executed and returned to us along with the necessary attachments to provide us with this documentation. It should be noted that the Clerk's Certificate must be executed no sooner than 21 days following the final publication in order to attest that there has been no protest within the statutory twenty-day protest period.

If you or the Clerk have any questions about the form of the bond ordinance, the adoption procedure or the form of the certificates, please call me.

Thank you for this opportunity to have been of assistance.

Very truly yours,

Christopher B. Langhart
