The Pre-Meeting Conference of the City Council of the City of Vineland was called to order by the President, Paul F. Spinelli.

The following members were present at roll call:
Councilman David Acosta
Councilwoman Dr. Elizabeth A. Arthur
Councilman Ronald J. Franceschini, Jr.

President Paul F. Spinelli

Also present were: Richard P. Tonetta, Esq., City Solicitor

President Spinelli led the Pledge of Allegiance.

The Municipal Clerk stated Public Notice of this meeting, pursuant to the Open Public Meetings Act, has been given on December 11, 2019 by the City Clerk in the following manner:

1. Posting written notice on the official bulletin board in the lobby of the City Hall on;
2. Providing written notice to the offices of The Daily Journal and The Press of Atlantic City;
3. Filing written notice in the office of the City Clerk of the City of Vineland.

President Spinelli asked if anyone from the public would like to comment.

There being no one to be heard, the Clerk reviewed revisions and additions to the agenda. The resolution opposing the proposed state budget reallocation of \$12 million in funds from the state recycling fund and \$10 million in funds from Clean Communities Grants to Parks Management was removed from the agenda. Resolution No. 2020-390 was assigned to a resolution authorizing payment of Siemens expenses in accordance with the long term service agreement for Unit 11 and Clayville Generating Stations for year 2020, was added.

Councilman Franceschini reported that the Health Department is involved in a big push to encourage that our residents get the flu vaccine.

Councilwoman Arthur questioned Resolution 2020-396, awarding an open-end contract to Sandale Utility Products, Mount Holly, NJ for the furnishing and delivery of ADS storm drain pipe, in the amount of \$42,000.00. She pointed out that the \$42,000 figure doesn't seem to match any of the supporting documentation. It was later determined, by Solicitor Tonetta calling Director Mark Guglielmi, that the original project was from a few years ago and the contractor agreed to the previous unit pricing to utilize the remaining \$42,000 left for this project.

Councilman Vargas noted that the baseball and softball fields are closed until the spring.

President Spinelli entertained a motion by Councilman Acosta, and seconded by Councilman Franceschini, to adjourn the meeting. The Clerk called the roll: YEAS:
